

DEL F & DAL F EXAMS 2017

What are DEL F and DAL F?

The **DEL F** (Diplôme d'Études en Langue Française) and the **DAL F** (Diplôme Approfondi de Langue Française) are official French diplomas to certify of the competency of candidates from outside France in the French language. These foreign language certifications have been approved by French law (*décret* of the French Republic 22th of May 1985 for the DEL F and December 1988 for the DAL F) and awarded by the French Ministry of Education. The DEL F B2 is an advanced level of French which allows you to enrol in a French University without having to take another language test.

The **diplomas**; the DEL F & DAL F are in line with the levels of reference of the **CECR** (Common European Framework of Reference for Languages) as well as with the recommendations for language assessing by the Framework.

A **junior version** of the DEL F exists for junior and high school students and is recommended for 12-17 year old.

The **DEL F PRIM** version is designed for children between 7 and 11 years of age and offers 3 levels: A1.1, A1 and A2

For each type of diploma, the **4 core language skills**: listening, speaking, reading, and writing are assessed.

For detailed information about each level of these diplomas, visit the website of CIEP (Centre International d'Études Pédagogiques).
