

DEL F & DAL F EXAMS

What are DEL F and DAL F?

The **DEL F** (Diplôme d'Études en Langue Française) and the **DAL F** (Diplôme Approfondi de Langue Française) are official French certifications (diplomas actually) that certify the competency of non-native French speakers in the French language. These foreign language certifications have been approved by French law (*décret* of the French Republic 22nd of May 1985 for the DEL F and December 1988 for the DAL F) and awarded by the French Ministry of Education. The DEL F B2 is an advanced level of French, which allows you to enrol in a French University without having to take any other language test. B2 is the level of fluency.

The **diplomas**; the DEL F & DAL F are in line with the levels of reference of the **CECR** (Common European Framework of Reference for Languages) as well as with the recommendations for language assessing by the Framework. There are 6 levels of competency: A1, A2, B1, B2, C1 and C2

The **DEL F JUNIOR** is for secondary school students (12-17 year old) and offers 4 levels: A1, A2, B1 and B2.

The **DEL F PRIM** is for children aged between 7 and 11 years of age who are in primary school and offers 3 levels: A1.1, A1 and A2

For each level or diploma, the **4 core language skills**: listening, speaking, reading, and writing are assessed.

For detailed information about each level of these diplomas, visit the website of France Education International.
